Dear Friends,

Thank you for lifting up the youth at Indiana United Methodist Children's Home in prayer. The Bible tells us about the power of prayer. Philippians 4:6 says, "Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus."

*For privacy reasons, we have changed the names in each prayer...but God knows exactly who they are and what they need!*

"In everything give thanks: for this is the will of God in Christ Jesus concerning you."

1 Thessalonians 5:18 KJV

*Dear Lord:* We pray for our students who are going through school testing. We simply ask for peace and calm as they take the exams. Quiet their minds and ease their anxiousness. Give them the grace to fully trust in You for whatever the future holds for them. In Your Name we pray, *Amen*.

*Almighty God:* We pray for our three youths in the Independence Project. May they continue to find strength and patience through Your loving spirit. Please help them to start each day with renewed faith and perseverance as they become more independent in their day-to-day lives. Thank You, God, for providing the tools they need to lead more productive lives as they transition into adulthood. *Amen*.

*Dear Lord:* We ask that You keep our youths and staff safe during this Thanksgiving holiday. Some will have Thanksgiving with family members near and far. We also pray for the Family Teachers and youths who will remain on campus for Thanksgiving. Please provide them with love and joy and a spirit of gratitude as they celebrate the special day. In Your Name we pray, *Amen.*

*Dear Lord:* We celebrate with Jacob. He recently had a breakthrough in therapy. We are thankful to Jacob's therapist for helping him through some difficult family situations. We give thanks for the compassion You have shown Jacob. May he continue healing through Your steady guidance. Lord, we are also thankful for Jacob's therapist as she continues to restore his hope for a better future. *Amen.*

*Thank you for praying for our youth.*
